

BUSINESS MASTERMIND

What's Your Calling? What's Your Purpose? What's Your Sweet Spot?

Take a deep breathe.

Put everything down, relax into your chair. Have the palms of your hands faced up. Don't cross your legs. When you think of you as your most powerful self. As the real you, your authentic self, when no one is looking. That image of you that you feel and see deep within your soul.... If you had to narrow it down to one word to describe her/him.

What is the word? _____

Why? _____

Why? _____

Why? _____

What Injustice in to a group of people or any injustice in the word makes you angry?

Why? _____

Why? _____

Why? _____

List Your Best Talents and Gift. What do you do really well and would do it even if you didn't get paid. These are things that you enjoy doing and would lose sleep, not eat to do it. You lose track of time when you are doing it?

How do you feel when you are doing? Describe how you feel, not what you feel.

How can you use who you are and what you love doing to solve the injustice that you feel?

How would you use your gift/talents to solve their injustice?

What is the purpose? _____

Who will you serve? _____

What's your business? _____
